Subject: English Language

Roll No- _____

Q1. Read the story and answer the following questions :

There is a forest where all the animals play happily. One day, the sun notices them and wants to join in. The animals tell the sun that he can play with them. But when the sun leaves his place in the sky and comes down to the forest, none of the animals can stand the heat and they all run to hide.

The sun goes back up into the clouds, feeling sad. So sad, that he no longer wants to come out every day to light up the world. Without the sun, every place becomes dark, even the lovely forest where the animals live.

Then, the animals have a meeting to think of ways to cheer up the sun. They decide to play with the sun at night, when he no longer shines, so that the heat of his rays are avoided.

The sun is happy with the solution and lights up the forest and the rest of the world.
