Dear Parents,

Season's Greetings!

Vacation is the most beautiful moment of every student's life.

They wait eagerly for the same. They need it for relaxation and hone their skills. They feel fresh which enhances their concentration towards studies. In vacation, students try to learn new things and enjoy it with their holiday homework. We have announced our Winter Vacation from December 30, 2021; this definitely comes along with the 'Holiday Homework'! Our Holiday Homework has been carefully planned to cater to the diversified interests of students and help them revise for the upcoming assessments. We are looking forward to children coming back to school after rejuvenating holidays, with smiling faces and joy in their hearts.

Time management requires self-discipline, self-mastery and self-control more than anything else.
