NOTICE
FOR CLASSES 1 – 9

Date : 23.12.2020

Dear Parents,

As the new year draws close, I hope it's filled with the promises of a hopeful tomorrow.

The year 2020 threw many challenges in our way, yet we continued to proceed without any halt or break. The journey became worth-treading with your unconditional support , understanding and co operation. I take the opportunity to wish everyone of you and all your family members a very **HAPPY NEW YEAR 2021**. I understand entering a new decade ushers in its own set of trials and tribulations , however, we are equipped enough to brace the challenges and further the journey meeting all odds in the path.

We shall be sending you the holiday homework of your ward with the required set of instructions . You are requested to guide your ward to complete the same. Also, CBSE in the year 2019-20 came up with “**ART INTEGRATED LEARNING**” in order to help the students explore themselves and make their learning experience joyous and long-lasting. Since, we as a school follow CBSE both in letter and spirit, I would like to reiterate its importance in curriculum transaction. All the students are thus expected to undertake **ART INTEGRATED LEARNING PROJECT WORK** compulsorily either as an individual project or as a group activity. All the instructions and the required procedure would be clearly mentioned . The students need to understand its relevance. All the details of the project work undertaken would be further submitted with the board. The students also have to ensure that the project is properly labelled (means it carries the name, class, roll no and the academic session) . The students will have to deposit the projects in the school or as instructed in the Holiday Homework for CBSE cum School records. Thus, the task needs to be taken in all earnest.

Also, find below the schedule of holidays for the Winter Vacations.
