"Imagination is the highest kite one can fly "- Lauren Bacall

Dear Students,

We pray and hope that the year 2021 keeps you and your family safe and sound. To start afresh on a happy note, keeping the above quote in mind and adding another blooming bud to the bouquet of activities, "**A Kite Making Activity**" will be conducted for all the students on 13th January 2021. Showcase your creativity manifested in the form of **beautiful and vibrant kites** made by you in the first teaching session of the day along with the class teacher to bring back the age old tradition of making kites which is long forgotten. You can decorate your kites with **sequins, mirrors** to make them colourful and attractive and giving a message of **hope, prosperity, positivity** for the current year.

May you soar with success just like your kites this Makar Sankranti. **Happy Uttarayan!**
