REG: ORIENTATION FOR THE NEWLY INDUCTED PARENTS

“A parent is a teacher at home and a teacher is a parent in school and the child is the centre of our universe”

Dear Parents,

It gives me immense joy to welcome you all to our family which has always believed in delivering world class education in a student friendly environment. In order to enable effective communication between parents and teachers, the school is organizing a Parents' Orientation Programme between **9:30 a.m. and 11:30 a.m** on **Tuesday, 6th April 2021**. This programme would acquaint you with the curriculum, rules and regulations of the school, teaching methodologies and the co-scholastic activities.

The programme would also provide us a shared platform to discuss the children's growth and anticipated progress in diverse spheres. The parents as 'partners in progress' can surely help us in evolving a common teaching strategy and identifying suitable follow up methods to reinforce the learning process of the children.

Seeing a recent surge in Covid 19 cases, we wish to request you to follow the social distancing norms while marking your presence on the day. The school is itself abiding by all the safety measures to contain the spread.

We look forward to a long, wondrous association!
